

# **What Our Guests Have to Say...**

**Remarks left in our journal at The View**

**Dear Tom and Alice,**

**We are very impressed with how well-appointed “The View” is! We made several wonderful meals, and had two great days on the slopes! A rousing game of “Life” entertained the adults as well as the kids, and the personal feel of the condo was cozy and welcoming. We hope to return soon; a summertime view of the lake would be sublime.**

**With much thanks,

**We had such a lovely fall weekend in your wonderful home—the view is stunning. The baby certainly enjoyed her first trip to the mountains! A highlight was Hickory Run State Forest—the foliage was beautiful. Thanks for sharing your lovely home with us!**

**Your place is beautiful. We had a wonderful long weekend. Thanks for all the “homelike” touches you used in decorating. We hope to return again next year!**

**Tom and Alice!**

**What an awesome place to stay and relax. The condo is gorgeous and “The View” is breathtaking. It was so wonderful that we ate dinner here several nights. Everyone who stopped by and visited wants to stay in this area. It was the best kept secret! This is my 3<sup>rd</sup> year here and I love your condo the best! Hope to stay here again in August!**

**Dear Tom and Alice,**

**Our family sure has counted it a blessing and privilege to have stayed in “The View.” It has been a wonderful experience for us here. Thank you Tom for all your kindness. Thanks for recommending the 20 oz. steak at “All America Grill” in Jim Thorpe. This is our first time to Pennsylvania and the Poconos. So beautiful is the wildlife here. WE captured some great photos! You’ve made us to feel right at home. We’ve had a relaxing time and look forward to being able to return soon.**

**Dear Tom and Alice,**

**Thank you for making our first trip to the Poconos very enjoyable by providing us this wonderful place to stay. It is so peaceful here and there is a lot to do! We especially like renting boats and exploring the islands on the lake. I’d like to try coming up in some of the other seasons too, and try whitewater rafting, skiing and rail-trail biking.**

Dear Tom and Alice,

Easter, 2008

Thank you for letting us have the opportunity to stay in “The View.” We went tubing and skiing, we took a ride through the mountains. We even saw turkey. Back at The View, we went fishing and fed the ducks. On our last night we went to the galleria and had a great time bowling. This vacation brought our family much closer. We look forward to returning in the summer.

Thanks,

The Russo and McCann Family

Dear Tom and Alice,

Wow! What can I say, but what a great way to spend some “down” time. “The View” was perfect inside and out! The décor of the condo gave us such a cozy feel, we felt right at home, and we loved waking up and seeing the lake right from our window. We enjoyed the peace and quiet, the natural surroundings, a little boating, a little tennis, and hanging out at the pool on those 90 degrees plus days—even took in a hike at nearby Hawk Falls. The wireless internet was also a big plus for all. We all had a great time! Hope we get a chance to come back and take in some Fall and Winter scenery. Thanks for all your help and for sharing your beautiful home with us!

Had breakfast, lunch & dinner at The Terra Cottage—reasonably priced food, warm and friendly service. Also enjoyed dinner at The Mountain’s Edge. Both are practically right down the road!

Thanks again for “The View” and the view!

Dear Tom and Alice (the lovely!)

What a vacation! We all felt so at home here at “The View.” The pool was wonderful. We had great game nights at the kitchen table and a wonderful family time.

A great place to visit was Barley Creek Brewery. The lunches were huge and very good. Reasonably priced. The brewery tour was cramped, but interesting. The beer samples were big and plentiful!

**We also enjoyed Shelly's Ice Cream, out 903 to the left. Good ice cream and a lot of it. Murphy's Loft is never a disappointment! Always good food.**

**Well, thanks again. Our group is always ready to go home from vacation about 3 days into it. But not this time! Everyone was sad to pack! Thanks Alice and Tom! We look forward to returning.**

**Dearest Tom and family,**

**Another beautiful holiday in your most amazing get-away spot. The moon cascaded across the lake right up to the balcony a few nights in a row, making the day just that much better.**

**After all these years we finally went to Shenanigans—BEST chicken wings (soy ginger/honey or something close to that—Yummy!**

**Of course Muddy Sneakers at Hog Heaven Ice Cream is a must.**

**Hope the next family or lucky soul will enjoy this wonder of a get away and all it has to offer just as much as we do. See you soon and well wishes**

**Fondly,**

**Vanessa Jones**

**Another beautiful week at "The View", weather was great and it was so relaxing. Enjoyed ice cream at Hog Heaven and dinner at Terra Cottage. As well as one day for breakfast. So nice to make meals in the condo and enjoy the view off the patio. Hope to be back next year.**
